

My degu

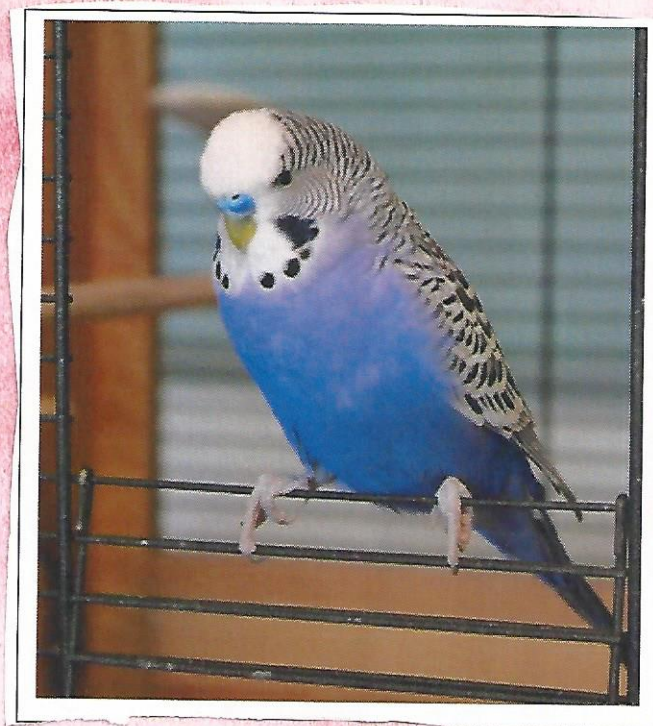

My pet is a small degu. It is a female [fimeɪl] and her name is Lost-found [faʊnd]. She has got brown fur [fɜː] and thin long tail. She eats cereals, nuts, carrots, cucumber, kohli-flower and hay. My degu is 5 years old. She is shared of un familiar people and feels good in her own territory.

My budgie 🍌 🏠 🐦

It lives in Australia. It has got a long tail. My budgie is white a purple colours. Budgies eat millets, but they don't eat potatoes. It can fly. It is a small animal. It has got two small legs and two long wings.

Dequ

name of my pet is Losh. It is a ^{young} female.
She is 18 ^{centimetre} cm. long and she has got grey-brown
fur. She is 5 years old. Once she bit
my finger. She eats granules, vegetables,
dried bread and nuts. She is lovely.

my friend Candy

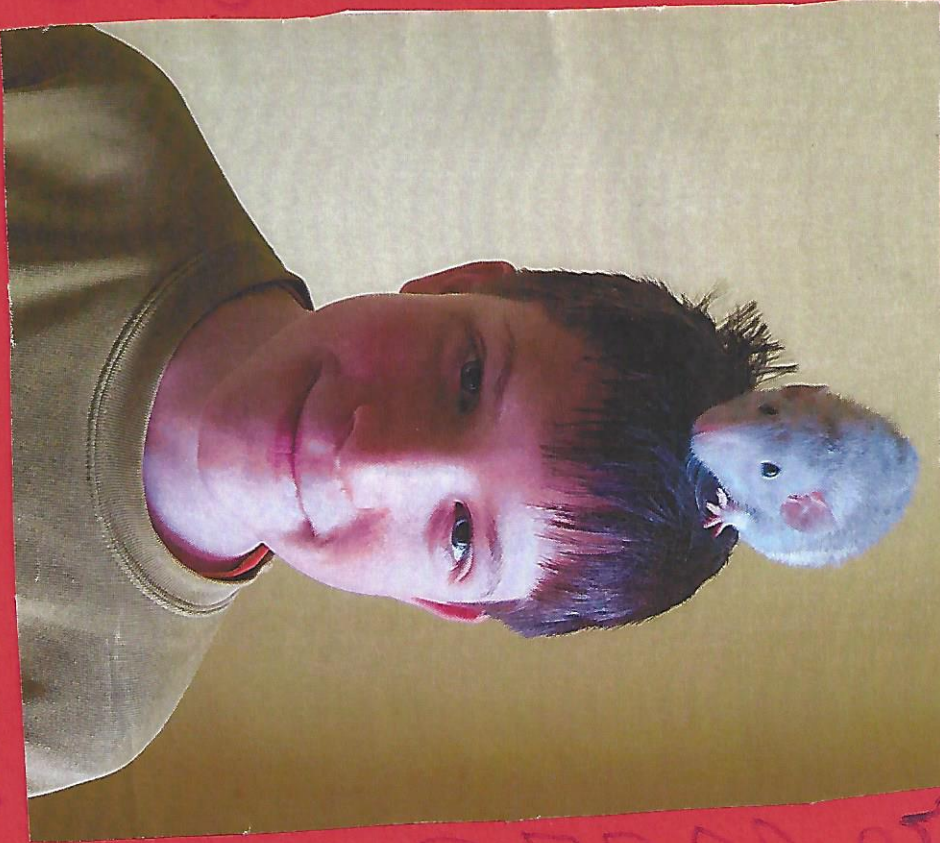

This is my friend
Candy. She is a horse.
She is brown.

She has got four long
legs. She has got beautiful
long tail. She eats grass,
hay and grains.

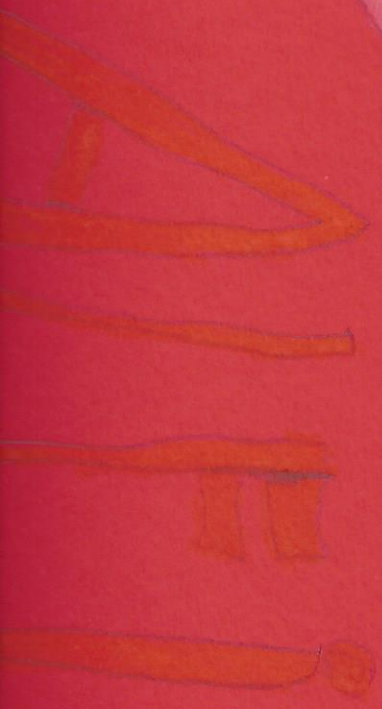

She likes to eat also apples, carrots, sugar and dry bread. Horse is my favorite
animal. I like horse - riding very much. I'm afraid of dogs, but I'm
not afraid of horses at all. I like Candy and also candies, because they are so

All
 the new ones
 that kids are in today
 All live on kids a little
 as a young kid, my days
 are spent in a little room
 with a little room

Claydon

Je do mladý Bednierev kvénovej fady.
